COUNCIL ON AFFORDABLE HOUSING
PETITION APPLICATION

This application is a guideline for creating a Housing Element and Fair Share Plan. A completed version of this application must be submitted as part of your petition for substantive certification to COAH. This application will be used by COAH staff to expedite review of your petition. This application can serve as your municipality's Fair Share Plan. A brief narrative component of the Fair Share Plan should be included with this application and can serve primarily to supplement the information included in the application form. Additionally, the narrative section of the Fair Share plan would include a description of any waivers being requested.

This form reflects COAH's newly adopted procedural and substantive rules and the amendments to those rules adopted on September 22, 2008. Footnotes and links to some helpful data sources may be found at the end of each section. To use this document electronically, use the TAB KEY to navigate from field to field. Enter data or use the Right Mouse Button to check boxes.

FAIR SHARE PLAN (N.J.A.C. 5:97-3)

Please provide a summary of the Fair Share Plan by filling out all requested information. Enter N/A where the information requested does not apply to the municipality. A fully completed application may serve as the actual Fair Share Plan. A brief narrative should be attached to supplement the information included in the application form. Additionally, the narrative section of the Fair Share plan would fully describe, under a separate heading, any waivers that are being requested.

Determining the 1987-2018 Fair Share Obligation

The following tables will assist you in determining your overall 1987-2018 fair share obligation. For each cycle of the affordable housing need and rehabilitation share, please use the "need" column to enter the number of units addressed in the municipal petition. Where the municipality has received and/or is proposing any adjustments to its rehabilitation share, prior round and/or growth share obligation, use the footnotes providing rule references and follow the procedures for determining the municipal need and/or for calculating any adjustments applicable to the municipality. Enter the affordable housing need as provided by COAH or that results from the adjustment under the "Need" column.

Determining the Growth Share Obligation

All municipalities must complete the "COAH projections" table below. Only municipalities that anticipate higher projections or that are seeking a growth projection adjustment based on a demonstration that insufficient land capacity exists to accommodate COAH projections need complete the corresponding additional table. COAH has published three workbooks in Excel format to assist with preparing this analysis. All municipalities must complete Workbook A. Workbook B must be used when the municipality anticipates that its growth through 2018 is likely to exceed the growth through 2018 that has been projected by COAH and the municipality wants to plan accordingly. Workbook C must be used by municipalities seeking a downward adjustment to the COAH-generated growth projections based on an analysis of municipal land capacity. Workbooks may be found at the following web location:

www.nj.gov/dca/coah/planningtools/gscalculators.shtml.

The applicable workbook has been completed and is attach to this application as Exhibit A.

Summary of Built and Proposed Affordable Housing

Provide the information requested regarding the proposed program(s), project(s) and/or unit(s) in the Fair Share Plan. Use a separate line to specify any bonus associated with any program, project and/or unit in the Plan. As part of completeness review, all monitoring forms must be up-to-date (i.e. 2007 monitoring must have been submitted previously or included with this application) and all proposed options for addressing the affordable housing obligation must be accompanied by the applicable checklist(s) (found as appendices to this application). Enter whether a project is proposed or completed and attach the appropriate form or checklist for each mechanism as appendices to the plan. Please note that bonuses requested for the prior round must have been occupied after December 15, 1986 and after June 6, 1999 for the third round.

Please make sure that a corresponding mechanism checklist is submitted for each mechanism being employed to achieve compliance. Separate checklists for each mechanism are available on the COAH website at www.nj.gov/dca/coah/planningtools/checklists.shtml.

Narrative Section

As indicated in the Housing Element, Morris Township has a three-part fair share obligation as determined by COAH for the period 1987 - 2018. There is a rehabilitation share of thirty-seven (37) units as determined per the 2000 Census. The Township proposes a municipal program to rehabilitate thirty-seven (37) units using its affordable housing trust funds and/or Morris County Community Development funds, as appropriate, to rehabilitate this number of units between now and 2018.

The second component of Morris Township's Fair Share obligation is a prior round obligation (1987-1999) for new construction. As documented in the summary of the plan the Township has a surplus of one-hundred-five (105) units to be carried forward against its Third Round projected growth share obligation. The projected growth share obligation is 224 units.

To satisfy this additional growth share obligation, the Township proposes to apply its prior round surplus of one-hundred-five (105) units, forty-six (46) units on existing zoned sites (Township/Cortese-38 units and Monroe Street-8 units), and credits of fifteen (15) rental units plus fifteen (15) bonus credits per N.J.A.C.5:97-3.6(a)1. for the third round construction and occupancy of the Homeless Solutions project on Jean Street (c.o. 6/16/05). These credits total to 181 credits and adjustments against the Third Round projected growth share. This leaves a total remaining fair share plan obligation of forty-three (43) units.

To address this remaining obligation the Township has begun a joint venture with the County of Morris and Morris County Housing Authority to develop a 10-acre parcel of County-owned property adjacent to the Morris Mews County Housing Authority site at the intersection of West Hanover Avenue and Ketch Road. The project would create and zone an affordable housing site capable of accomodating the thirty-eight (38) units from Township/Cortese and the remainder fair share obligation of forty-three (43) units on one (1) suitable and developable property with ready access to all necessary water, sewer, road and other infrastructure. It is intended that the units would be one-hundred (100%) percent affordable units developed, built and managed under the auspices of the Morris County Housing Authority. The units would be rental dwellings compliant with all COAH affordable housing requirements including a very low income component of thirty (30) units required pursuant to N.J.A.C.52:27D-320.1. Zoning for the site would be adopted by the Morris Township Committee.

All applicable provisions of the Township's inclusionary affordable housing zones are on file with COAH. They are contained in the current zoning ordinance as Article XI, RH-5, RH-16, and RH-20 Zones consisting of the following subsections: 95-69 through 95-81. All of the ordinances have been approved pursuant to the Township's 1984 Judgment of Compliance and subsequent substantive certifications and extensions thereof by COAH. In addition to the inclusionary zoning requirements as noted above, part of the Township's affordable housing inventory is regulated by subsection 95-35.F. Public and Non-Profit or Limited-Dividend Housing for Elderly Persons. These regulations are applicable to the Morris Mews age-restricted housing complex and congregate living units which are under the auspices of the Morris County Housing Authority. The site/address information for each group home below not previously certified by COAH but included in this fair share compliance plan is as follows:

1. Allegro School - 4 Lawndale Avenue - Block 2005, Lot 5

Community residence for the developmentally disabled - Five (5) bedrooms - c.o. issued 7/16/97

2. A.R.C. - Morris Chapter - 30 Maxine Drive - Block 9002, Lot 8

Community residence for the developmentally disabled - Six (6) bedrooms - c.o. issued 11/5/97

3. Development Resources Corp. - 614 W. Hanover Avenue- Block 263, Lot 122

Community residence for the developmentally disabled - Four (4) bedrooms - c.o. issued 11/26/91

For each of these group homes the Township seeks credits and bonuses per the Second Round rules. Workbook A: Growth Share Determination Using Published Data is attached hereto as Morris Township Exhibit "A". Attached to this narrative as Exhibit "B" is a summary of the Township's draft compliance plan which identifies by name each affordable housing site. Attached to this narrative as Exhibits "C" and "D", respectively, are letters from John Bonanni, Morris County Administrator, and Roberta Strater, Executive Director, Morris County Housing Authority, documenting their agency's involvement in the project.
